

JEAN-MARC CHERY
Designated President & CEO
STMicroelectronics

Jean-Marc Chery has been designated President & CEO of STMicroelectronics in January 2018 and will be proposed as the Sole Member of the Managing Board at the 2018 Annual General Meeting of Shareholders.

Since July 2017, Chery has been Deputy CEO with overall responsibility for the Company's Technology and Manufacturing, as well as for Sales and Marketing operations. He is a member of ST's Executive Team.

Chery began his career in the Quality organization of Matra, the French engineering group. In 1986, he joined Thomson Semiconducteurs, which subsequently became ST, and held various management positions in product planning and manufacturing, rising to lead ST's wafer fabs in Tours, France, and later in Rousset, France. In 2005, Chery led the company-wide 6-inch wafer-production restructuring program before taking charge of ST's Front-End Manufacturing operations in Asia Pacific. In 2008, he was promoted Chief Technology Officer and assumed additional responsibilities for Manufacturing and Quality (2011) and the Digital Product Sector (2012). In 2014, Chery was appointed ST's Chief Operating Officer responsible for the Company's Technology and Manufacturing operations.

Chery chairs the Board of STS, ST's manufacturing joint venture in China, and holds board membership at the European microelectronics R&D program AENEAS.

Jean-Marc Chery was born in Orleans, France, in 1960, and graduated with a degree in Engineering from the ENSAM engineering school in Paris, France.
