

ERIC AUSSEDAT
Executive Vice President
Imaging Sub-Group General Manager
Analog, MEMS and Sensors Group
STMicroelectronics

Eric Ausседat is Executive Vice President and General Manager of the Imaging sub-group within ST's Analog, MEMS and Sensors Group and has held this position since October 2014.

Aussedat joined Thomson Semiconducteurs, a predecessor company to ST, as Product Engineer in 1981. He held various positions in product engineering and planning and was promoted Planning Manager of the Video Products Group in 1986. Later on, Ausседat was appointed to manage the product and manufacturing planning operations of INMOS, a UK company acquired by ST. Subsequently, he supervised the Engineering and Test Strategy for the Programmable Product Group before his promotion to head ST's Microcontroller Division in 1995. In 2000-2004, Ausседat led the TV and Display Division and became General Manager of ST's Cellular Communication Division in 2005. Two years later, Ausседat was appointed General Manager of the Imaging Division. In 2012, Ausседat was appointed ST's Executive Vice President in charge of the Imaging, Bi-CMOS ASIC and Silicon Photonics Group.

Eric Ausседat was born in Montmorency near Paris, France, in 1954. He graduated with a degree in Electronic Engineering from the Institut National Polytechnique in Grenoble and earned a diploma from the Institut d'Administration des Entreprises of Grenoble.
