

OPEN PLATFORM LICENSE AGREEMENT

This Open Platform License Agreement (“Agreement”) is a binding legal contract between you (“You”) and STMicroelectronics International N.V. (“ST”), a company incorporated under the laws of the Netherlands acting for the purpose of this Agreement through its Swiss branch 39, Chemin du Champ des Filles, 1228 Plan-les-Ouates, Geneva, Switzerland.

By using the enclosed reference designs, schematics, PC board layouts, and documentation, in hardcopy or CAD tool file format (collectively, the “Reference Material”), You are agreeing to be bound by the terms and conditions of this Agreement. Do not use the Reference Material until You have read and agreed to the following terms and conditions. The use of the Reference Material automatically implies the acceptance of the following terms and conditions.

LICENSE. ST grants You the right to use, modify, copy and distribute the Reference Material for the purpose of evaluating, testing, and developing application boards based on ST products.

RESTRICTIONS. Except as otherwise permitted herein, the Reference Material may not be offered for sale, sold, leased or otherwise distributed. You may not use the name, logo, or any other trademark of ST or any other STMicroelectronics company to endorse or promote products derived from the Reference Material without ST’s prior written permission.

OWNERSHIP. Title to the Reference Material, demonstration software, related documentation and all copies thereof remain with ST and/or its licensors. You agree to prevent any unauthorized copying of the Reference Material and related documentation.

NO OTHER RIGHTS. Except as expressly stated in this Agreement, no right or license, express or implied, is granted to You under any patent, trademark, copyright, trade secret or other intellectual property right of ST or any other STMicroelectronics company.

The Reference Material is addressing only skilled and training technical people and shall be used and managed according to the terms and conditions set forth in the related documentation provided with the Reference Material.

According to European Semiconductor Industry Association (ESIA) letter, “ESIA Response on WEEE Review (May 2008) of the Directive 2002/96/EC on Waste Electrical and Electronic Equipment (WEEE)”; Semiconductor products and evaluation & demonstration boards are not in the scope of the Directive 2002/96/EC of the European Parliament and of the Council on waste electrical and electronic equipment (WEEE). Consequently aforementioned products do not have to be registered nor are they subject to the subsequent obligations.

NO WARRANTY. The Reference Material is provided “AS IS” and “with all faults” without warranty of any kind expressed or implied. ST and its licensors expressly disclaim all warranties, expressed, implied or otherwise, including without limitation, warranties of merchantability, fitness for a particular purpose and non-infringement of intellectual property rights. ST does not warrant that the use in whole or in part of the Reference Material will be interrupted or error free, will meet Your requirements, or will operate with the combination of hardware and software selected by You.

You are responsible for determining whether the Reference Material will be suitable for Your intended use or application or will achieve Your intended results.

ST shall not have any liability in case of damages, losses, claims or actions anyhow caused from combination of the Reference Material with another product, board, software or device.

ST has not authorized anyone to make any representation or warranty for the Reference Material, and any technical, applications or design information or advice, quality characterization, reliability data or other services provided by ST shall not constitute any representation or warranty by ST or alter this disclaimer or warranty, and in no additional obligations or liabilities shall arise from ST's providing such information or services. ST does not assume or authorize any other person to assume for it any other liability in connection with its Reference Materials.

All other warranties, conditions or other terms implied by law are excluded to the fullest extent permitted by law.

LIMITATION OF LIABILITIES. In no event ST or its licensors shall be liable to You or any third party for any indirect, special, consequential, incidental, punitive damages or other damages (including but not limited to, the cost of labor, re-qualification, delay, loss of profits, loss of revenues, loss of data, costs of procurement of substitute goods or services or the like) whether based on contract, tort, or any other legal theory, relating to or in connection with the Reference Material, the documentation or this Agreement, even if ST has been advised of the possibility of such damages.

In no event shall ST's aggregate liability to You or any third party under this Agreement for any cause action, whether based on contract, tort, or any other legal theory, relating to or in connection with the Reference Material, the documentation or this Agreement shall exceed the purchase price paid for the Reference Material if any.

TERMINATION. ST may terminate this license at any time if You are in breach of any of its terms and conditions. Upon termination, You will immediately destroy or return all copies of the Reference Material, demonstration software and documentation to ST.

APPLICABLE LAW AND JURISDICTION. In case of dispute and in the absence of an amicable settlement, the only competent jurisdiction shall be the Courts of Geneva, Switzerland. The applicable law shall be the law of Switzerland. The UN Convention on contracts for the International Sales of Goods shall not apply to these General Terms and Conditions of Sale.

SEVERABILITY. If any provision of this Agreement is or becomes, at any time or for any reason, unenforceable or invalid, no other provision of this Agreement shall be affected thereby, and the remaining provisions of this Agreement shall continue with the same force and effect as if such unenforceable or invalid provisions had not been inserted in this Agreement.

WAIVER. The waiver by either party of any breach of any provisions of this Agreement shall not operate or be construed as a waiver of any other or a subsequent breach of the same or a different provision.

RELATIONSHIP OF THE PARTIES. Nothing in this Agreement shall create, or be deemed to create, a partnership or the relationship of principal and agent or employer and employee between the Parties. Neither Party has the authority or power to bind, to contract in the name of or to create a liability for the other in any way or for any purpose.

PRECEDENCE. Certain demonstration software included with the Reference Material may be covered under a separate accompanying end user license agreement, in which case the terms and conditions of such end user license agreement shall apply to that demonstration software. However, if the Reference Material was provided to You in connection with Your purchase of an evaluation product, then solely with respect to the Reference Material, this Agreement shall take precedence over the Evaluation Product License Agreement between You and ST that governs use of the evaluation product.

RECYCLING. The Reference Material is not to be disposed as an urban waste. At the end of its life cycle, differentiated waste collection must be followed, as stated in the directive 2002/96/EC.

In all the countries belonging to the European Union (EU Dir. 2002/96/EC) and those following differentiated recycling, the Reference Material is subject to differentiated recycling at the end of its life cycle, therefore: It is forbidden to dispose the Reference Material as an undifferentiated waste or with other domestic wastes. Consult the local authorities for more information on the proper disposal channels.

It is mandatory to sort the Reference Material and deliver it to the appropriate collection centers, or, when possible, return the Reference Material to the seller. An incorrect Reference Material disposal may cause damage to the environment and is punished by the law.
