

# Sensors

---

## *Resources for IoT device development*

-  [Motion, Environmental, Microphones and Ranging sensors for Consumer, Industrial and Automotive markets](#)
-  [Accelerometer products](#)
-  [e-Compass / Magnetic Sensor products](#)
-  [Humidity Sensor products](#)
-  [Temperature Sensor products](#)
-  [Inertial Measurement Unit \(IMU\) products](#)
-  [MEMS Microphone products](#)
-  [Pressure Sensor products](#)
-  [T-Plus MEMS Sensor products](#)
-  [Time of Flight products](#)
-  [Ambient Light Sensor products](#)
-  [Introduction to Imaging Sensors - ToF/ALS/GS](#)
-  [Ambient Light Sensor Solution from STMicroelectronics](#)
-  [Sensor Finder App - how to find the sensors you need within the ST portfolio](#)
