

**RICARDO DE SA EARP**  
**Executive Vice President, General-Purpose Microcontroller Sub-  
Group**  
**Microcontrollers, Digital ICs and RF products Group**  
**STMicroelectronics**

Ricardo De Sa Earp is STMicroelectronics' Executive Vice President, General-Purpose Microcontroller Sub-Group Vice President and has held this position since January 2022.

De Sa Earp started his career with Philips Consumer Electronics in Sao Paulo, Brazil, working in TV design. In 1993, he moved to the Electronics Division of Valeo, where he held positions in marketing and project management. De Sa Earp joined ST in 1997 as Strategic Marketing Manager in the ASD&IPAD Division at ST Tours (France). In 2003, he was promoted to the position of ASD&IPAD Division General Manager and successfully led the Division for 15 years. In 2018, De Sa Earp was appointed Group Vice President and General Manager of the Microcontrollers Division within ST's Microcontrollers and Digital ICs Group.

Ricardo De Sa Earp was born in Petropolis, Brazil, in 1963. He graduated in Electronic Engineering from the Instituto Tecnológico de Aeronautica Sao Jose dos Campos, Brazil, and completed his master's degree in Electronic Engineering at the Technical University of Eindhoven, Holland. De Sa Earp also holds an MBA from INSEAD in France.
