

PSA Certified™ SECURITY ASSURANCE CERTIFICATE

Certificate Number: 0604565273291 - 10021

Date of Issue: 19/02/2019

Test Lab: Brightsight

Certificate Holder: ST Microelectronics

Certified Product: STM32L4

Product Description: STM32L4 MCU extend the ultra-low-power portfolio and performance with an Arm Cortex-M4 combined to ST security firewall implementation and its SBSFU software package.

Model: Die 415

Software Version: X-Cube-SBSFU V2.1.0

Hardware Version: Version 4

Standard: PSA Certified - Chip

Security Level: Security Level 1 Beta 002
