Appendix to Certificate-No.: 968/FSP 1627.16/23
Product: X-CUBE-STL

General Notes

The content of this revision list has been agreed between manufacturer and certification body.

According to the entries listed below, several product versions or safety manuals may be valid at the same time.
If this is the case, it is recommended to always take into account the latest associated safety manual.
The latest safety manual always also contains the reasons why updates are available and recommended or not.

The certificate 968/FSP 1627.16/23 is the renewed version of the expired certificate 968/FSP 1627.00/18.
