## Contents

1 Application schematics and layouts ............................................ 5  
  1.1 L99PM62GXP/L99PM72GXP daughterboard .......................... 5  
  1.2 STM8 motherboard .......................................................... 8  

2 Revision history ........................................................................ 13
List of tables

Table 1. Device summary. ................................................................. 1
Table 2. Document revision history ............................................... 13
List of figures

Figure 1. L99PM62GXP/L99PM72GXP daughterboard top layer ............................. 5
Figure 2. L99PM62GXP/L99PM72GXP daughterboard bottom layer ....................... 6
Figure 3. L99PM62GXP/L99PM72GXP daughterboard application schematic ................ 7
Figure 4. STM8 motherboard top layer .......................................................... 8
Figure 5. STM8 motherboard bottom layer ...................................................... 9
Figure 6. STM8 motherboard – I/O & Body application schematic ......................... 10
Figure 7. STM8 motherboard – STM8 & Supply application schematic ................... 11
Figure 8. STM8 motherboard USB interface application schematic ....................... 12
